d.2 Layout preview - text, table, code

SECTION HEADING

- First-level bullet with **inline emphasis**
- A second bullet, and a **42.7%** figure in accent colour
  - A sub-item, quieter than its parent
- Third bullet, closing the list

Quantity	Value
First row	1
Second row	2
Third row	**3**

EMPHASIS

Body text in the normal ink colour, sized for projection, and alerted text for something that must not be missed.

Highlight box — accent rule, for a point worth remembering.

GRAPHITE & LIME • monospaced titles, square boxes, lime and blue accents

d.3 Layout preview - boxes, code, diagram

Technical box — primary rule, for an implementation note.

Warning box — alert rule, for a caveat or a risk.

```
/* Code block --- monospaced, */
int example(int n)    /* numbers optional */
{
    return n * n;
}
```

Pill: one line, the slide's takeaway

GRAPHITE & LIME • monospaced titles, square boxes, lime and blue accents
